

# Workforce Pledge of Ethical COVID-19 Ethical Conduct

As a valued member of the NAVSEA team, I pledge to follow all NAVSEA COVID-19 guidelines including:

- Following proper hygiene practices such as good **HAND WASHING** techniques and use of hand sanitizer
- Wearing a **FACEMASK** as appropriate while in NAVSEA buildings
- **DISINFECTING** my personal workspace at the end of the day
- Practicing **PHYSICAL DISTANCING** while in NAVSEA buildings
- **STAYING HOME** if I am sick
- Decluttering and **CLEANING** my desk each day
- Following notification protocol if I experience symptoms, test positive or come in close contact within someone who has tested positive for COVID-19

I **pledge** the above to **protect** my fellow coworkers and myself. I will notify my supervisor and immediately start self-quarantine for the required number of days so that I minimize the risk of exposure to my coworkers or myself.
